內容簡介：

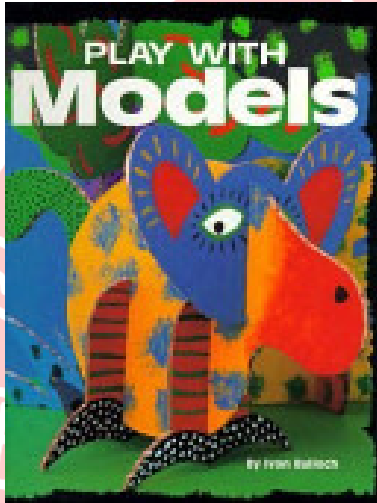

Oops! One morning, while a pig family was sitting down to breakfast, a little milk spills to the floor. That shouldn't be any problem at all! And it wouldn't, except that the milk seeps through a crack in the floor and drips down to the workshop below onto a tray that tips and flips the switch on the grinder whose spinning wheel catches the loose end of a clothesline which gets wound around the leg of a table saw ... and that is just the beginning of a series of chain reactions that lead from a little spill on the table to a giant boulder in the breakfast room!(本文轉引自 Amazon 網路書店)

His way does not match hers, but that's just fine. In the end she gives Papa an affectionate pat on the back when he catches a fish, just as he patted her back earlier when she caught one.
