內_容摘_要：

Hal the Highwayman is part of Walker Starters, the wonderfully fun and friendly series for beginner readers. Hal wants to be a fearsome highwayman - but he's very clumsy and isn't at all scary. So he signs up for Dick Turpin's School for Highwayman. Lessons start at once! This is a charming and witty story told through a range of writing styles, including hand-lettered speech bubbles, postcards and posters. The illustrations, which appear on every page, are lively and stylish, and play an active part in helping children understand the text.
