內容摘要：

What do you do when the moon comes to your window and offers to take you on a night ride? You say yes, of course! And so begins a night of surprising travel, seated on the back of the full moon. The simple, quietly humorous text offers sound advice to any child about to set off on a trip. And the soft pastel drawings add a dreamlike quality to the story of this lucky young boy who is whisked from his bed for a night ride through the city that never sleeps.

內_容摘_要：

Thrilling comic-strip action, with monsters, mighty heroes and even mightier gods and goddesses. The Iliad tells the story of the war between Greeks and Trojans; the love between Helena and Paris; Achilles and Hector's deadly combat; the Trojan Horse... The Odyssey depicts the perilous voyage home of the Greek warrior Odysseus; his struggles against the one-eyed Cyclops; the terrible Sirens; the dreadful, six-headed Scylla... These classic Greek stories have been retold with lively text and a dramatic cartoon style, making them accessible and fun for young children.
