內容摘要：

You never know what a day will bring.

The morning begins like any other. Albert reaches out the window to check the weather. But from the moment a twig lands smack in the palm of his hand, life is never the same.

In her first picture book, Donna Jo Napoli invents a magical and inspiring tale that will capture the heart of any reader who has loved a pet. Jim LaMarche creates an endearing character in Albert and a classic setting for the miraculous new world that unfolds around him.
