### 內容摘要：

Elephants are gray. Pigs are pink. Only the chameleon has no color of his own. He is purple like the heather, yellow like a lemon, even black and orange striped like a tiger! Then one day a chameleon has an idea to remain one color forever by staying on the greenest leaf he can find. But in the autumn, the leaf changes from green to yellow to red ... and so does the chameleon. When another chameleon suggests they travel together, he learns that companionship is more important than having a color of his own. No matter where he goes with his new friend, they will always be alike.

### 內容摘要：

"Doctor De Soto, the dentist, did very good work." With the aid of his able assistant, Mrs. De Soto, he copes with the toothaches of animals large and small. His expertise is so great that his fortunate patients never feel any pain.

Since he's a mouse, Doctor De Soto refuses to treat "dangerous" animals--that is, animals who have a taste for mice. But one day a fox shows up and begs for relief from the tooth that's killing him. How can the kindhearted De Sotos turn him away? But how can they make sure that the fox doesn't give in to his baser instincts once his tooth is fixed? Those clever De Sotos will find a way.
