內<sub>ノ</sub>容<sub>ヲ</sub>摘<sub>キ</sub>要<sub>ト</sub>：

Stuart J. Murphy travels all over the United States talking to thousands of kids. And you'll never believe what they talk about: MATH! Stuart shows kids that they use math every day -- to share a pizza, spend their allowance, and even sort socks. Stuart writes funny stories about math -- and if you read his books, you'll start to see the fun in math, too.
