內容摘要：

"Who on earth would eat worms for lunch?" the curious little leaf-loving worm wants to know....

Not the mouse who likes cheese. Not the little girl, who loves spaghetti and ice cream! Not the cow, nor the bee, nor the monkey.... But when a fish reveals what he most desires for lunch--wiggly, wiggly worms--our little worm goes quickly on his way....

In this funny, lighthearted romp that celebrates individual taste, young readers will relish guessing what each different animal calls lunch.
