內容摘要：

A bright, science-minded boy goes to the beach equipped to collect and examine flotsam--anything floating that has been washed ashore. Bottles, lost toys, small objects of every description are among his usual finds. But there's no way he could have prepared for one particular discovery: a barnacle-encrusted underwater camera, with its own secrets to share ... and to keep.

Grandpa Green wasn't always a gardener. He was a farmboy and a kid with chickenpox and a soldier and, most of all, an artist. In this captivating new picture book, readers follow Grandpa Green's great-grandson into a garden he created, a fantastic world where memories are handed down in the fanciful shapes of topiary trees and imagination recreates things forgotten.

內容摘要：

Thus begins a lyrical journey through the days and weeks, the months, and the changing seasons in the life of one New Englander and his family. The oxcart man packs his goods - the wool from his sheep, the shawl his wife made, the mittens his daughter knitted, and the linen they wove. He packs the birch brooms his son carved, and even a bag of goose feathers from the barnyard geese.

He travels over hills, through valleys, by streams, past farms and villages. At Portsmouth Market he sells his goods, one by one - even his beloved ox. Then, with his pockets full of coins, he wanders through the market, buying provisions for his family, and returns to his home. And the cycle begins again.
