內容摘要：

A wonderful and unique look at counting and friendship.

This very simple picture book is about two friends, Sue and Nick, who like very different things but are still best friends.

They introduce us to all their favourite things from one boy called Nick and one girl called Sue to ten cakes for tea, and then all the way back down to one yellow moon shining in the night sky.

內容摘要：

When a little boy and his mom go camping, mini-disasters abound, and there are lots of opportunities for Mom to step in and fix everything. But instead, with a loving touch, this mommy shows her child ways to do things for himself, going far to encourage her child's independence. And there is still plenty of opportunity for snuggling under the stars.
